

NSW WeedWise is **now available** for Android smartphones in the **Google Play** store...

- ◆ Get weed **profiles**, **legal requirements** and **control** including herbicide options for **over 300 noxious & environmental weeds**
- ◆ Weeds professionals can **share** information with clients via SMS or email
- ◆ Landholders can **report** Class 1, 2 and 3 noxious weeds via SMS or email, by entering contact details of their local council weeds officer into the app
- ◆ Weeds can be chosen as favourites, Local Control Authority areas of interest can be selected

Note:

- ◆ The app is built for Android smartphones and will scale up for use on most Android tablets, but can't be guaranteed to work on all Android tablets
- ◆ Please send any feedback or questions to [weeds@dpi.nsw.gov.au](mailto:weeds@dpi.nsw.gov.au) e.g. if it doesn't work on your Android device; if you have any problems installing it, etc.
- ◆ The app's content is also available online for PC or laptops. Go to [www.dpi.nsw.gov.au/weeds](http://www.dpi.nsw.gov.au/weeds) and select the NSW WeedWise menu option

NSW WeedWise will soon be available for iPhones and iPads in the App Store....
