BACKGROUND	<p>Five strategic weed management documents were originally developed in 2013 as part of the Sydney Region Weeds Action Program. The current WAP Guidelines require the documents to be reviewed and updated by 30 September 2018.</p> <p>Review of these documents was first discussed by the RWC at Meeting 7 on 22 March 2017, and has been ongoing since that time, including agenda items at the following meetings:</p> <ul style="list-style-type: none"> Meeting 8 on 16 June 2017 Meeting 10 on 7 December 2017 Meeting 11 on 8 March 2018 <p>At Meeting 11 it was noted that RWC members were to review the updated versions and provide feedback by 29 March, or be prepared to endorse them at the next meeting. The draft versions were also to be sent to the sub regional committees with a request for feedback.</p> <p>Some comments have been received, and these have been substantially included in the current draft versions.</p> <p>These are attached, with the changes made visible in “Track changes” mode.</p> <p>This now completes the review and the draft documents are presented to the RWC for approval.</p> <p>Following RWC approval the documents need to be endorsed by DPI.</p>
