

Greater Sydney RWC Meeting 13: BUSINESS PAPER

Agenda Item 6	Corrections or additions to GS RSWMP
ATTACHMENTS	<ul style="list-style-type: none"> • Draft strategic responses for proposed amendments to Greater Sydney RSWMP
BACKGROUND	<p>At GS RWC meeting 12 (Agenda item 4), four species were identified for addition to Appendix 1.2 of the Greater Sydney RSWMP. These have been nominated due to either being omitted through an oversight or because of the risk posed by the weed to either human health or the environment.</p> <p>A further amendment (African olive) has been proposed by Paul Marynissen (Central Coast Council) to remove Central Coast LGA from the exclusion zone.</p> <p>The resulting action from meeting 12 is <i>the Regional Weed Coordinator (Strategic Planner) employed by GS LLS to draft Strategic Responses for the five species proposed for addition to Appendix 1.2 and present these to the GS RWC at the next meeting.</i></p> <p>Draft strategic responses for the five species are attached. The suggested outcomes and responses are indicated by normal text. Additional outcomes and response (in grey text) have been provided for consideration.</p> <p>The RWC needs to consider the following:</p> <ol style="list-style-type: none"> 1. Proposed “outcomes to demonstrate compliance with the GBD” for each species, 2. Proposed “strategic response in the region” for each species, and 3. Proposed exclusion zones and core infestation areas for each of the containment species.
